# Welcome to Spanish language

## ***SIELE***

The SIELE (Servicio Internacional de Evaluación de la lengua Española) test is globally recognized as the official Spanish language proficiency test exam that certifies your Spanish knowledge.

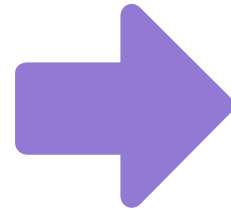

The examination is a single multilevel type, one which enables applicants to receive the SIELE certificate.

The certificate has a score-line that ranges from 0 to 1000, which considers the outcome of the total overall scores that you have from each of the four conducted tests.

It adheres with the Common European Framework of Reference for Language (CEFR) guidelines (CEFR) of the European Council.

# LEVELS OF SPANISH

## 1. Basic (A1)

The whole focus is to make the learner familiar with the language, understand and speak basic phrases in daily life situations.

## 2. Elementary (A2)

Comprehending and using simple phrases and structures with a better knowledge of spanish grammar and its application.

## 3. Intermediate (B1)

The whole focus is on to make the learner express his/her own thoughts in Spanish. The syllabus is designed to improve oral and written expression using some technique particular to the language.

## 4. Advanced (B2)

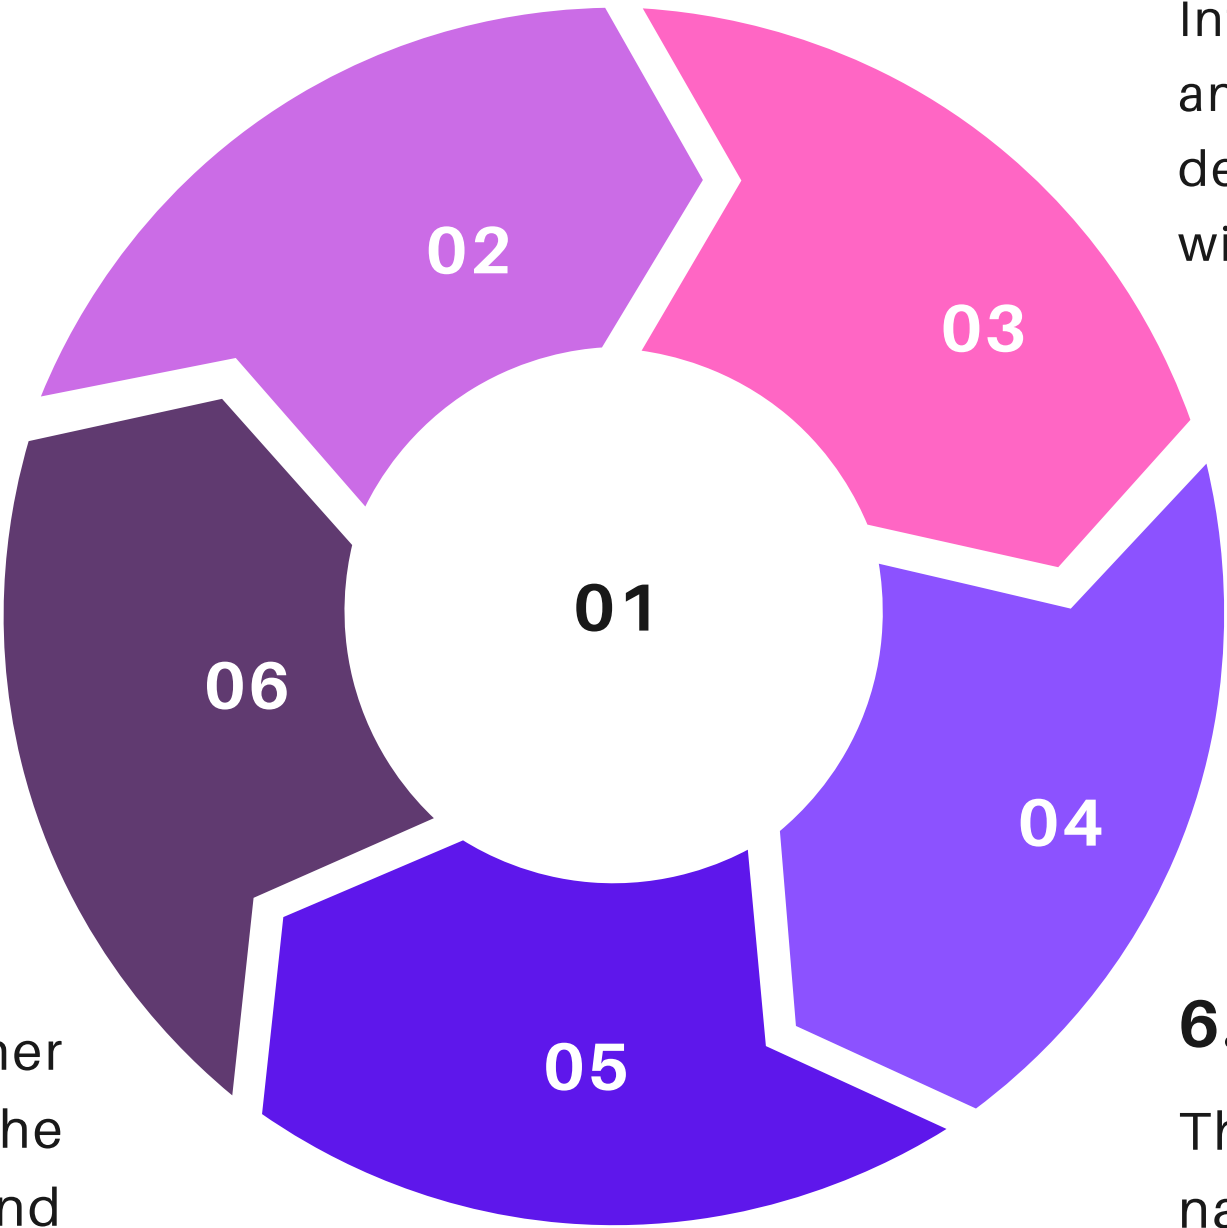

Introduction to advanced grammar, speaking, listening and written expressions and topics. The focus is to develop the learner's ability to comprehend and discuss with a frequent use of advanced vocabulary.

## 5. Proficiency (C1)

At C1, the learner's ability to comprehend any written text or audio clips in Spanish increases exponentially. The focus is to bring them to ease with the language making them an expert at it.

## 6. Mastery (C2)

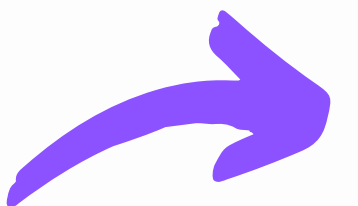

The whole point is to become as effective as a native speaker. The C2 lets you become that with the optimum level of effective professional and operational proficiency. It's a journey worth taking.
